

## **IB PreCalculus**

You will be taking a free online course through Stanford University. Here are the instructions to begin:

Go to: [www.youcubed.org](http://www.youcubed.org)

Click on courses.

Choose On-Line Student Course

Scroll down and select your preferred language (English or Spanish)

Create new account and you are set to go.

The course should not take too long but **MUST** be completed before the school year starts. You should aim for 1 module per week. There are 6 total.

See you soon!!!
